

Buckhorn Canyon, Idaho

Big Cedar Canyon Area

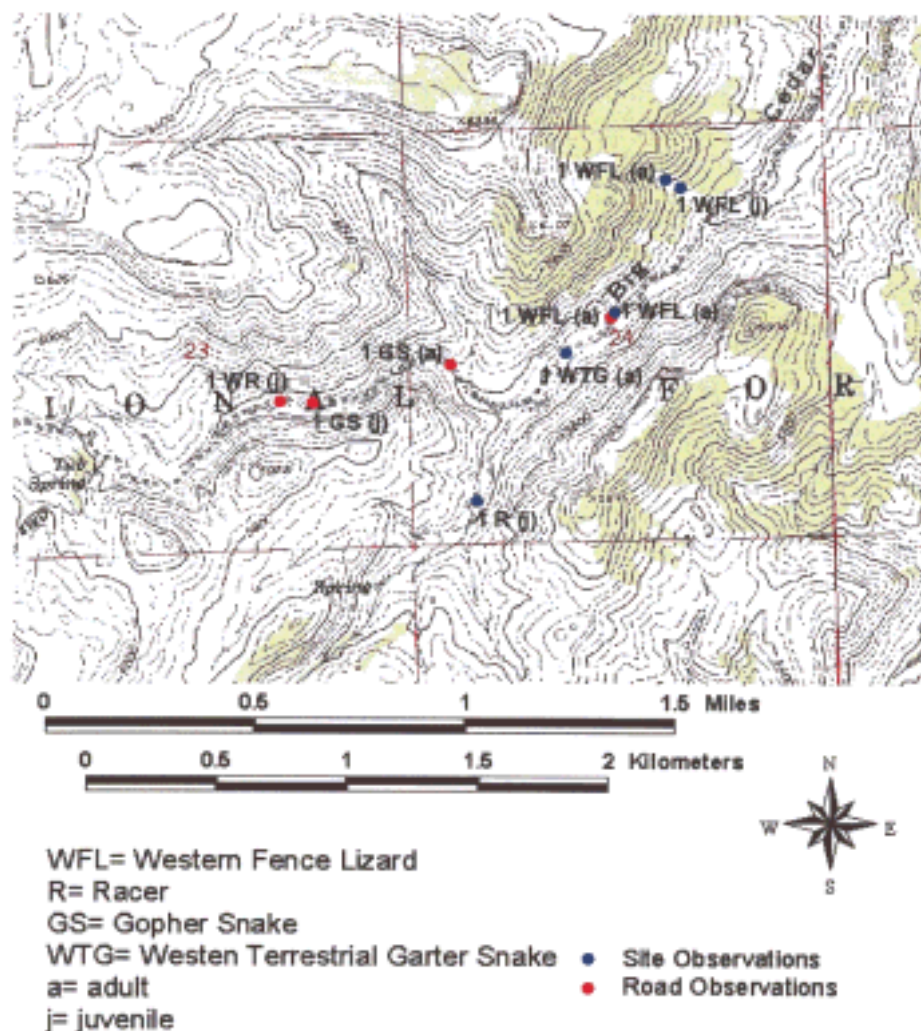

Figure 10. A portion of the Buckhorn Canyon Quadrangle, Idaho 7.5 minute series (Topographic) that shows the observed species and their distribution for this area. The labeling numbers refer to the number of individuals observed, the letters represent species identification codes, and the letters in parentheses identify the observed life stages.

Buckhorn Canyon, Idaho

Little Cedar Canyon Area

0 0.5 1 1.5 Miles
0 0.5 1 1.5 2 Kilometers

WFL= Western Fence Lizard
SBL= Side-Blotched Lizard
WW= Western Whiptail
a= adult
j= juvenile

• Site Observations

Figure 11. A portion of the Buckhorn Canyon Quadrangle, Idaho 7.5 minute series (Topographic) that shows the observed species and their distribution for this area. The labeling numbers refer to the number of individuals observed, the letters represent species identification codes, and the letters in parentheses identify the observed life stages.

Buckhorn Canyon, Idaho

Buckhorn Canyon Area

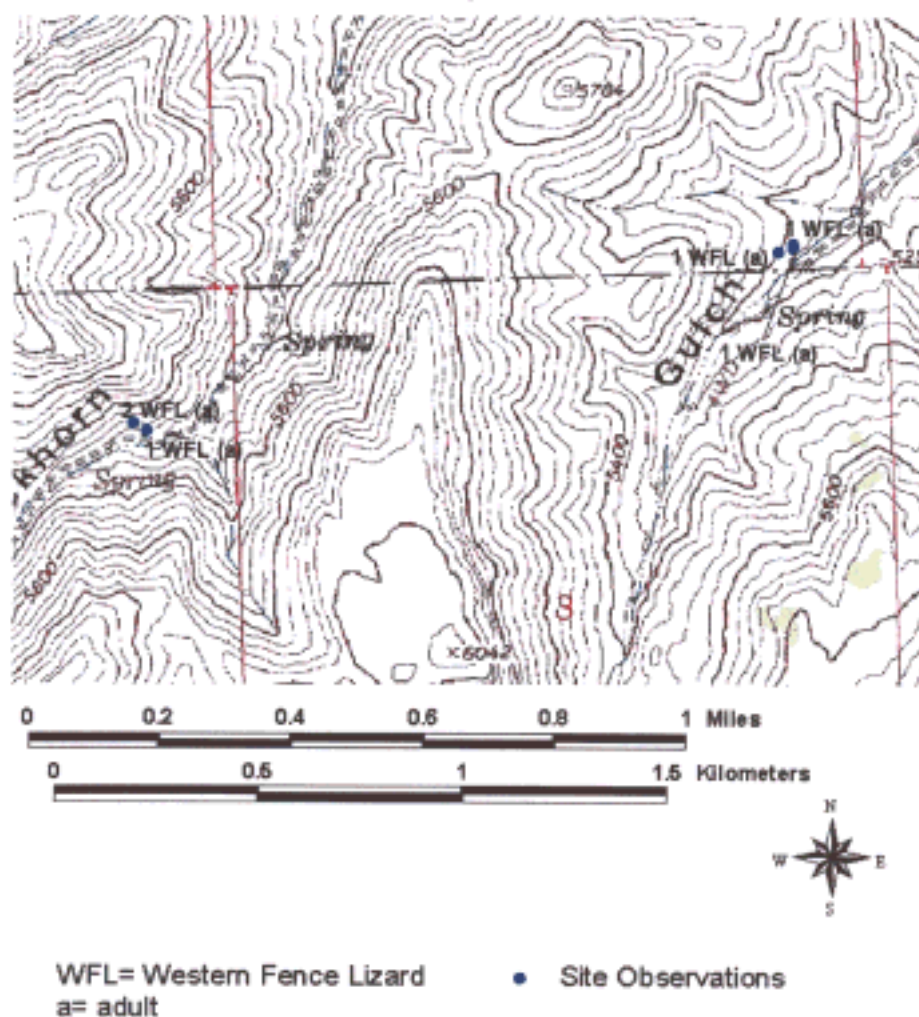

Figure 12. A portion of the Buckhorn Canyon Quadrangle, Idaho 7.5 minute series (Topographic) that shows the observed species and their distribution for this area. The labeling numbers refer to the number of individuals observed, the letters represent species identification codes, and the letters in parentheses identify the observed life stages.

Buckhorn Canyon, Idaho

Mountain Road Area

GS= Gopher Snake
j= juvenile

• Road Observations

Figure 13. A portion of the Buckhorn Canyon Quadrangle, Idaho 7.5 minute series (Topographic) that shows the observed species and their distribution for this area. The labeling numbers refer to the number of individuals observed, the letters represent species identification codes, and the letters in parentheses identify the observed life stages.
